For men, khaki or dress pants and collared shirts or polo shirts are acceptable. Please do not wear shorts or athletic attire for social hours and dinners. For most Signature and Discover trips, and most of our avid-category trips, your dinner attire is casual. Please keep in mind that casual attire in Europe can be more formal than in the U.S. Please dress according to your destination, dining, and activities. Please check your trip itinerary to bring extra gear or clothing for any extra activities that are planned, such as sea kayaking or sailing.

WHAT WE PROVIDE

- Hiking poles*
- Trek Travel T-shirt (sent pre-trip)
- Binoculars to share
- Luggage tags
- Snacks throughout your trip
- Sunscreen

*We have a limited number of hiking poles and backpacks available for use. We strongly recommend you bring your own.

PASSPORT REQUIREMENTS - As a general rule, passports should have at least six months of validity when traveling internationally. This means that your passport's expiration date should be at least six months after your final day of travel. If you have any questions or concerns, please talk with your Trip Consultant.

PACKING TIPS - As a general guideline on what to pack for a walking or hiking tour, we suggest you arrive in the appropriate hiking attire on the first day of your trip with any extra gear you may need separate from your other luggage. We recommend traveling light and limiting your luggage to one carry-on and one checked bag. You also may want to leave extra space in your luggage for any items you may want to bring home from your destination. The Transportation Security Administration (TSA) website at www.tsa.gov is a great resource for a list of permitted and prohibited items, and tips for packing and travel.

WE WANT YOU TO BE COMFORTABLE!

We want you to enjoy every aspect of your trip, and that starts with the proper footwear. It's important that your boots fit well so we recommend heading to an outdoor shop for advice on the best boots for you. Please break them in beforehand to make sure your feet have had a chance to get used to them and they will be comfy for the duration of your trip.
